OrthoSeat
c/o Christina Reeves
4051 Beltway Drive, Suite 206
Addison, TX 75244

Dear Christina,

The OrthoSeat is everything I expected. As a mechanical engineer and a chiropractor, I understand how important proper biomechanics are to the spine. The OrthoSeat is sturdy, portable and comfortable.

I use the OrthoSeat when I go to the beach.

Sincerely,

Daren Bowlby, DC
